## Remerciements

Je tiens à remercier vivement Sylvie Machine-à-Café et Didier Coin-Fumeur, mes encadrants de stage, pour leur disponibilité, leur écoute et leurs conseils avisés.

Mes remerciements vont aussi à toute l'équipe pour avoir su m'accueillir dans son environnement de travail stimulant, tout en étant agréable et même amusant.

Plus particulièrement je remercie tous les journalistes pour leurs paroles précieuses durant tout ce stage. Je remercie Michel Photocopieur pour son aide dans mes démarches administratives et Amidou Internet pour ses conseils.

Enfin, je souhaite remercier Monsieur Ficus pour sa patience, la fraîcheur et la pertinence de ses remarques au cours de ce stage.
